

**850 Purchase Order - DSD
SUMMARY OF CHANGES
Versions 003050, 003040 & 003020 to 004010**

Following are Summary of Changes that lists the differences between the DSD versions 3020, 3040, & 3050 and Version 4010.

Select the one that applies to your situation and review the changes listed. The changes listed may be at a high level, so you will have to do a more detailed review of the 4010 guideline for any changes that may impact you.

**850 Purchase Order - DSD
