

UCC128 Label Requirements

Carton Labeling (UCC/-128 Serial Container label (SSCC-18))

1. All cartons shipping to Dick's Sporting Goods distribution centers require a UCC-128 label in SSCC-18 format
2. UCC-128 shipping container label must be created following GS1 (formerly UCC Council) standards and specifications.
3. UCC-128 label must be accompanied by a valid 856 ASN or the label cannot be used.
4. All UCC-128 label must comply with the barcode specifications listed below:
 - 4"X6" label format
 - Barcode length: 3.02"
 - Barcode height: 1.25"
 - Barcode ratio: 2:1
 - Base Line width minimum 15 mil (.015")
 - .25 quiet zone on each side of barcode
 - ANSI A or B print quality
5. Vendors are responsible for label quality.
6. Smudge proof, non reflective ink and high quality label stock paper must be used for proper scanning. Ink Jet and/or Laser printing is not acceptable.
7. Standard printer paper not acceptable. for UCC-128 labels.
8. FOB orders and direct container orders must have a UCC-128 label on all cartons. UCC-128 labels must be accompanied by a valid 856 ASN or the labels cannot be used.
9. New vendors must have UCC-128 labels approved by Dick's Sporting Goods Vendor Relations prior to implementation. All UCC label questions and examples should be directed to Wendy Williams (Wendy.Williams@dcs.com). Phone: 317.561.2151 Fax: 724.227.1563. Hard copy examples should be sent to Dick's Sporting Goods, 655 South Perry Road, Plainfield IN, 46168 Attention Wendy Williams.
10. Each carton must have a UCC-128 label. Pallet level shipping containers and or ASN's are not accepted.
11. Do not use more than one UCC-128 label per carton. Secondary UCC-128 labels are permitted so long as the ID numbers are identical.
12. Deface any internal UCC-128 barcoded labels that may be used with a vertical stripe before the shipment leaves your facility. Do not cover internal barcoded label by placing Dick's UCC-128 label on top.
13. Product that is shipped with multiple components per selling unit must be identified as such. Each piece should be labeled as 1 of 3, 2 of 3 and 3 of 3 if three cartons comprise one selling unit. The ASN should not include all the components of this one selling unit.
14. Do not apply the same UCC-128 number to multiple cartons. Every UCC-128 generated must be unique. Industry standards state you may reuse UCC-128 numbers after one year, however Dick's requests that UCC-128 numbers be used only once.
15. Each label should contain the following information:
 - Vendor name and ship from address
 - Dick's Sporting Goods' distribution center name, number, and address
 - Dick's Sporting Goods' purchase order number.
 - UPC number, the vendor style number and item description on standard packed orders.
 - Final destination store name and number for Pick & Pack (mark for store) orders.
 - For all orders, department number and name
 - UCC-128 Shipping Container Barcode

- Ship to and Mark for barcodes
