We are sending letters to all networks we currently interconnect with, advising of our migration to Inovis. However, it is the trading partner's responsibility to insure their network makes the change on the appropriate date and time.

Thank you for your continued cooperation and collaboration in supporting our system initiatives at Saks Incorporated. If you have any related business questions, please contact **Saks Incorporated** via email at _edidmba@saksinc.com (note: underscore MUST precede the e-mail address.)
